# TIM DRAXL

## STILL UNDER THE INFLUENCE! LIVE AT THE CIVIC

MUSICAL DIRECTOR MICHAEL TYACK

### TIM DRAXL BACK FOR 8 MORE SHOWS IN THE VENUE OF HIS DREAMS

Tim Draxl, one of Australia's most successful true cabaret stars is following his sold out concerts in August this year, with a revised show in a tight 8 performance only season at the luxurious and sophisticated surrounds of the newly re opened Civic Hotel Cabaret Room at the Civic Hotel. Earlier in 2009 Tim returned to cabaret for a brief stint at the Supper Club, which resulted in his shows totally selling out and rave reviews from critics and audiences alike.

Tim is now returning briefly to Australia to grasp the opportunity to perform in this marvelous venue. In true cabaret form of a bygone era, a delicious two course meal will be served. The show entitled "Live at the Civic" will be a mix of new material and some of the most popular songs from his last season.

The other very exciting news is that this new season will be accompanied by the release of a brand new CD "Tim Draxl Live at the Supper Club" recorded during his season last August and features 16 of his most loved tracks from those shows. This will be his first ever live recording and the first CD release for Tim in nine years.

In the last 5 years Tim has been in Los Angeles making movies and ironically this season co includes with the release of his new film "In My Sleep". His film "Ivory" is expected at the Sundance Film festival this year along with his latest movie "Undocumented".

Once again Tim will be re-united with his "team"; Michael Tyack musical director and on bass Dave Ellis, this year for the first time they will be joined on stage by a percussionist.

So grab your top hat white tie and tails and come down to the Civic. With its sophisticated and elegant art deco interior and a feeling of glamour from another time and place, Tim has found the ideal home for his new shows.
